About Myself

I am a fresher with limited experience in service domain, exploring ideas and using them to build tools is a favorite hobby of mine. An opportunity to improve my professional skills without sacrificing work-life balance is what I hope to find.

Education

SSC (10 GPA)   2012 – 2013
Camford English High School, Chittoor (AP)

MPC (90.9 %)   2013 – 2015
Narayana Junior College, Hyderabad

Engineering (8.2 CGPA)
Vardhaman College of Engineering, Hyderabad

Skills

Programming Languages
C
java
python 3
Matlab

Technologies
Machine Learning
AI
Image Processing

Libraries
numpy
scipy
tensorflow
opencv

Hobbies

x^2
problem solving

Coding

gaming

drawing

Projects

1. Autonomous Locomotive (Computer Vision)
2. Selective Harmonic elimination (Optimization)

Currently Working On :
1. Object Detection
2. End to End Neural networks

Languages

1. English
2. Hindi
3. Telugu

Certifications

1. Business English Certificate (Vantage)
